

THE HOUSE THAT GOD BUILDS

***2014 is the year of extraordinary prophetic fulfillment, provision, protection and progress.
2015 – Thy Kingdom Come, Thy will be done on earth. Christ Revealed, Church Reformed, City Rebuilt***

God does not build every house. The house that God builds is unique. This house that God builds will watch over the city and the city will be safe. There are other churches but we are not responsible for them. We are only responsible for our own house. If we are a father, we are only responsible for our own children and not others. We work for our own and not working for all other houses. We can help them but we are not responsible for them.

He builds the house and He comes down and lives there. If we are in the place where God is building, we are safe because God does not build anything that will be destroyed. No use coming to God's house and become attacked.

We must build together with God. But the whole education in the world is to do thing on our own and only ask God when we need help. Trust in the Lord and rely not in our own understanding. Trust Him fully. Don't get into trouble then only find out from God. This is not the way. Don't get into trouble at all so that we can be always out of trouble and help others who are in trouble. Let Him be our leader. Unless God builds the house, we will labor in vain.

God has a house and from the house He watches the city.

Read 2 Chronicles 6 & 7

2Ch 6:4 And he said, Blessed be Jehovah, the God of Israel, who has with His hands fulfilled that which He spoke with His mouth to my father David, saying,

2Ch 6:5 From the day that I brought My people out of the land of Egypt I have not chosen any city among all the tribes of Israel to build a house in, so that My name might be there. Nor have I chosen any man to be a ruler over My people Israel.

2Ch 6:6 But now I have chosen Jerusalem, so that My name might be there, and now I have chosen David to be over My people Israel.

2Ch 6:7 And it was in the heart of David my father to build a house for the name of Jehovah, the God of Israel.

1. God communicates His intention to build.

If God does not communicate it, then He does not want it. That's why this church was built 34 years ago because God spoke it. If God didn't say it, we will be building something that God does not want. He will tell us what He wants of the house. Don't give what God don't want. Find out what He wants. That's why we are different.

2. He always chooses the man who pleases His heart.

The problem with Malaysia is that everyone can become a pastor and start a church. Some people are angry in the church and leave to start another church. That is not church but a rebellious house. That's why for those who are not married, we must come under authority or else we will be having a devil as our father in law. Rebellious is the sin of witchcraft. In every home we are the authority. If we come under wrong authority, our family and children will come into chaos. That's why men must learn how to pray strong. We don't need to be an elder to pray. That's why God communicates His intentions and He chooses those who please His heart. Not everybody knows the heart of God and find out the heart of God. God will not give His building project to fools. God wants to build something in Muar that will change all nations. He looks for the right person.

3. The person must receive the capacity to know the blueprint.

The person must have the revelation of the blueprint. Is it a 2 room house or 3? We cannot leave the decision to the contractor. God knows what kind of worship, people and house He wants. That's why we don't need to look for everybody. We need to look for the right people to finish the assignment. If this is a hospital, we need doctors. If this is a military, we need soldiers. If this is a phone manufacturing plant, we need skilled workers. God shows us the blueprint little by little. If the house is not built according to the blueprint, it is illegal. God will check the house. If we are not building according to specifications, the glory will not come down.

4. The person must be willing to serve his generation well.

God is not looking for selfish people who will use other people to climb up the ladder. We must not serve just one generation but also their next generations. God will never use people who only think about themselves. We must serve not because of money but to see God's will be done. God pays well. So many people are sitting on resources so that we can serve our generation well. They must become better. We must finish the job that God has for us on the earth. Once we are done, God knows what to do. If we haven't finished, nothing and no one can take us away. That's why we must be willing to serve the generation well.

5. We must prepare to lay the foundation for the next generation to continue.

No matter how good our business is, we must continue. There must be continuity. David laid the foundation so that Solomon can build from where David left off. We must lay the foundation so that the next generation can prosper.

6. We must model the way in which they should walk and please God.

David found favor with God because he walked and lived in a certain way. The way is what we must teach. Not just lessons or bible study. We have so much in the head but never live the life. There are those who know so little but practice everything they know and this is the generation we are looking for. We need to

practice to become better. We may not know God but our leaders or pastor do and we learn from them. Follow the ways of God and there will be blessing. We must find out the way He lives. If we live wrongly, the blessings will stop flowing. If we live rightly and seek first the kingdom of God, all these things will be added unto us.

7. We must secure the covenant for the next generation.

We must make sure there is continuity. God must not just work with us but also with our son and daughter and grandchildren so that the God of the father will be the God of the sons. God made a contract with us and agree with us so that He can work with us, children and grandchildren and generations to come. We must make sure we find the right partner and the best partner who is the Holy Spirit and God. If God likes us, quickly get the covenant from God. Any time we pray and is close to God, don't just ask for ourselves only. Connect our children to Him. Ask God to make a covenant with us so that it will be passed down to our children and grandchildren. David was such a man. He knew he will die early because he finished the assignment. He made sure that there will always be a man on the throne and the throne will never be empty. The promise God gave to Papa is also the promise God gave to us. Repent and be baptized and receive the Holy Spirit. It is not use to get the promises for ourselves alone.

WHY IS IT SO SPECIAL?

2Ch 7:15 Now My eyes shall be open, and My ears shall be open to the prayer of this place.

2Ch 7:16 For now I have chosen and sanctified this house, so that My name may be there forever. And My eyes and My heart shall be there forever.

2Ch 7:17 And you, if you will walk before me, as David your father walked, and do according to all that I have commanded you, and shall observe My statutes and My judgments,

2Ch 7:18 then I will make the throne of your kingdom sure, as I have covenanted with David your father, saying, There shall not fail you a man to be ruler in Israel.

1. God's affection and attention is here on God's people.

His eyes and His ears are open and attentive towards us. If we love somebody, we like to listen to them. That's why those who are in love will talk on the phone a lot. One of the quickest ways to destroy a relationship is my texting. If we can't talk in the normal way, the communication will be lost.

2. God's name and authority is invested in the house

God will put His name there. We can talk politics in the coffee shop and pass any laws we want there but the law cannot take place because it is set in the wrong place. The shop is not a Parliament House. But when the ministers gather together to pass the Bill, it will be executed. That's why it is very powerful when we are at the right place and the right time, we can exercise God's authority. That's why coming to church is important because it is a place of authority. What we decree and declare can become law and the enemy will listen.

3. God's protection is in the house.

2Ch 6:23 then hear from Heaven, and do, and judge Your servants by repaying the wicked, by bringing his way back on his own head, and by justifying the righteous, by giving to him according to his righteousness.

2Ch 6:24 And if Your people Israel be put to the worse before the enemy because they have sinned against You, and if they shall return and confess Your name, and shall pray and cry before You in this house,

2Ch 6:25 then hear from Heaven, and forgive the sin of Your people Israel, and bring them again into the land which You give to them and to their fathers.

The wicked cannot rule in the house. What the wicked tried to do to us and say negative things to us, when we come into the house and connect well, their power will be broken. God can destroy that power and God will protect us. No matter how difficult the market is, if God wants to give us a house we will have the house and be protected.

That's why the House is important. No matter how many years bad things happen, we will never be defeated. If we are in the House, we will be protection and come under covering. The rain will fall, the sun will strike and the wind blows but nothing will touch us.

2Ch 6:26 When the heavens shall be shut up, and there is no rain because they have sinned against You; if they pray toward this place, and confess Your name, and turn from their sin when You afflict them,

2Ch 6:27 then hear from Heaven and forgive the sin of Your servants and of Your people Israel, when You have taught them the good way in which they should walk. And send rain on Your land which You have given to Your people for an inheritance.

When the heavens are shut up and no rain, we pray in the House and confess His name, the heavens will be opened and God will send rain.

4. God keeps the heavens open over the house.

When we pray at home and no answer, we can come to His House and the heavens are opened and we will receive answer. This is not our house but His house and there will be open heaven. Sometimes the reception in the house may be poor but in His House there is open heaven.

The House that God builds will endure forever. If God builds our house, God's favor will be there.
