

2015 – THY KINGDOM COME

Thy will be done on earth as it is in heaven. Christ Revealed, Church Reformed, City Rebuilt

2015 is the year to see the manifestation, be the demonstration and speak the transformation of the coming Kingdom in the church and in the city through a fresh revelation of Jesus Christ. Praying, proclaiming and prophesying the Kingdom will result in a supernatural manifestation of its existence, its governance and absolute sovereign rule over the kingdoms of the world. There will be a fresh revelation of Christ that will reshape and redesign to mentality, character and culture of God's people in the earth. Extraordinary dimensions of Christ will be revealed that will become the foundation of fresh God encounter and times of refreshing. There will be a level of intimacy of relationship in God that will bring a new strength in the hearts of God's people. Those who know their God will do great exploits. These extraordinary dimensions of Christ that will be revealed will strategically position the church into stature to operate in a new level of faith and authority exercising dominion in every domain.

If God cannot work in us, He cannot work through us. God is position us in a special place. We are the only ones with the power to pray the Kingdom come. When the Kingdom comes, we will cast out the Kingdom of darkness. We can take charge and take control and allow the Holy Spirit to use us. This is the year God is waiting to happen. One of the most powerful things can happen is not just kingdom blessings, peace, joy but the Kingdom itself is coming over our lives. When we talk about the Kingdom it is the domain of the King. He is coming to take control and take charge.

Matthew 33 is about seeking first the Kingdom of God and all its righteousness. When we seek the Kingdom we seek the King. We don't want sin to take charge and we don't want the devil or sickness to take charge. We want God to take charge. In every battle He must reveal Himself first. He reveals Himself not as a partner but a Leader. When the Kingdom comes, the King takes over. When we pray Thy Kingdom come, we must give space so that God can take charge because God wants to take over our lives. Now God is offering us part of His Kingdom.

When we are born again, we can see the Kingdom. After we see the Kingdom we must enter the kingdom. After entering we must change our status from permanent resident to total resident and be a citizen. When we enter the Kingdom we become sons of the Kingdom. After we are cleansed, qualified and sanctified, we become sons of the Father and we inherit the Kingdom. It is at this point, we are ready to pray Thy Kingdom come because we now have the right to pray. That's why we can rebuild the city and change the city.

A lot of Christians are foreigner to the Kingdom and cannot receive the fullness of the Kingdom. Some Christians receive all but some others are in the Kingdom but never receive all because status is different. We must ask God to cleanse us and change our lives.

When we say Thy Kingdom come, we are declaring war. It is not a prayer of the Catholics. It is not a prayer for Christians who are not living right. We have not right to pray Thy Kingdom come if we are not living in the Kingdom.

We cannot simply go to the causeway and declare war with Singapore. We will be arrested because we have no right to declare war. That's why this year is not for careless Christians. If we have been living carelessly, stop living carelessly because God is giving us power to pray for the Kingdom to manifest. Something supernatural must happen. Last year God has been protecting us and blessing. This year God is going to work through us.

2015 is not a year of blessing but it is a year to be the source of blessing. When the Kingdom comes only God's will is done.

Nebuchadnezzar had a dream of the end of the Gentile age. There is a confrontation in heaven and God is sending that word. This is God's year because the stone is cut by God and God is throwing the stone down.

Dan 2:32 This image's head was of fine gold; his breast and his arms were of silver; his belly and his thighs were of bronze;

Dan 2:33 his legs were of iron; his feet were part of iron and part of clay.

Dan 2:34 You watched until a stone was cut out without hands, which struck the image upon its feet which were of iron and clay, and broke them to pieces.

Dan 2:35 Then the iron, the clay, the bronze, the silver, and the gold were broken to pieces together. And they became like the chaff of the summer threshing floors. And the wind carried them away, so that no place was found for them. And the stone that struck the image became a great mountain and filled the whole earth.

The Kingdom is going to invade the earth. The world cannot continue as it is anymore. Malaysia cannot continue the way it is. Some point this year God is going to strike and intervening. We do not know when but we know 2015 is the beginning. When all the kingdoms of the world are standing in their glory and act like they are strong, God is going to cut the stone and cast it down to strike the feet. Watch the intervention of God in our nation because it will be supernatural. Kingdom will manifest. God is going to intervene. When He comes down, God will show Himself. When God manifests, there is no way to hide Him.

This year we will see people rising up in our church. It is not who start first that can bring change. Sometimes it is those who keeps going on and keeps getting better that will make the difference.

1. The Kingdom is God's ultimate intention to be set up on the earth

It is first being set up spiritually and then physically. That's why the church will move out from the 4 walls and experience the Kingdom manifest. First the Kingdom will come to the individual, then into their domain and then to the community. The Kingdom is God's ultimate intention.

2. The Kingdom is going to be designed by God.

It is not men's kingdom but God's kingdom. It doesn't start on the earth. The Son is given to us. It is not an earthly beginning. The King is coming and it is not an earthly kingdom. It starts in heaven.

3. The stone will strike the statue

When God's Kingdom comes down, it will clash with the world system. That's why in our own lives, our flesh must not clash with God's kingdom. If we want the Kingdom to come, we must create space. We must not take control. It will not strike the gold or silver. It will strike the weakest spot. It will happen to individuals, corporate and churches, etc. Don't pray Thy Kingdom come and stand in the way. If we want the Kingdom to take over, don't stand in the way of the King.

The weakest area in our lives, make it strong and guard it. If our weakest point is emotions, then get it healed and strong. If our weakest point is discipline, then make it stronger. If it is finance, then make it stronger. If we are weak in our behavior, then our behavior must be made right. Some people are weak in their mouth, eyes, etc. Sometimes it is not because God don't want to bless us but it is because we never take seriously in our weaknesses. The weakest areas will be destroyed.

4. The stone will become a mountain

Wherever the stone falls, it will become a government. If we carry the Kingdom we will have power. Many Christians are not going to enter into this dimension. The church will enter into the Kingdom age. Many will experience kingdom joy, prosperity, etc. The church is getting ready for this. The church will no longer be natural anymore. It is not natural wisdom but supernatural. It is not natural blessing but supernatural. The impossible area can be done. When God takes over we will see change. It starts like a stone that will become a mountain. No one can shake it. When the Kingdom comes, God will take over. God will establish His government.

5. The mountain will fill the earth.

It has the capacity to influence and change the quality of life. God will give us business domain.

The first domain is the spiritual domain; the faith of the believers. Our Christian testimony must be strong.
2nd domain is family.

The 3rd domain is finance. God will make sure our finance is right.

4th area is the faculty of learning, the education.

The 5th domain is fitness and health.

He wants all these 5 areas to be strong in all our lives. Don't make coming to church, reading the bible and pray the last thing. If this is what we are doing, we will be left behind. If our job cannot allow us to come to church and live our Christian life, find a new job. We want to have God to take charge in all of these areas. Some people are raising their children and family wrongly. Some people are eating to their grave.

6. The Stone Mountain is God's Kingdom on earth.

That's how God's Kingdom expresses. It is not just about the gospel of salvation but the Gospel of the Kingdom. In every job we do, we can bring the Kingdom down. How are we influencing our brothers and sisters? No use we get saved healed and delivered but no concern for others.

7. The Kingdom is given to God's people who are ready and prepared.

He will not give the Kingdom to people who are careless. He will give to people who are ready and prepared. We cannot pray Thy Kingdom come unless we are in the right position. We must have a stature for something supernatural to happen. We must come into stature. We cannot simply stop a car and ask for their IC when we do not have the position.

Dan 2:44 And in the days of these kings, the God of Heaven shall set up a kingdom which shall never be destroyed. And the kingdom shall not be left to other peoples, but it shall crush and destroy all these kingdoms, and it shall stand forever.

We must be born again and obedient and become mature as a Christian so that we can pray Thy Kingdom come on earth, Thy will be done as it is in heaven. Ask God to take charge of our life, family, and finance, education of our children, fitness and health. Wherever God's Kingdom is, His will must be done.
