

2015 – THY KINGDOM COME ON EARTH, THY WILL BE DONE AS IT IS IN HEAVEN – PART 2

Thy Kingdom come on earth, Thy will be done as it is in heaven. Christ Revealed, Church Reformed, City Rebuilt

2015 is the year to see the manifestation, be the demonstration and speak the transformation of the coming Kingdom in the church and in the city through a fresh revelation of Jesus Christ.

The Kingdom will manifest the King because the Kingdom is the kingdom of the King. 2000 years ago Jesus came to the earth, lived and died and rose again. He ascended to the right hand of God and the Kingdom began. He sent the Holy Spirit to subdue every enemy and make them the footstool of Jesus. The gospel of the Kingdom must be preached to every nation. However over the years the church lost the message and preached the message of blessing, healing, financial blessing, etc. These are all the things Christians understand and see God as a god of benefits. Pastors now work as insurance agents and sell gospel benefits. The church has lost the message, power and mandate.

God wants us to return and that's why this year we must step up. We must live beyond blessings and live for the real stuff. Seek first the Kingdom of God and its righteousness and all these things will be added unto us. Seek the Kingdom ways and allow Christ to be King and Lord. When Christ is revealed in this manner, things will change.

Mat 8:16 And evening coming on, they brought to Him many who had been possessed with demons. And He cast out the spirits with a word, and healed all who were sick

Mat 8:17 so that it might be fulfilled which was spoken by Isaiah the prophet, saying, "He took on Himself our weaknesses and bore our sicknesses."

Mat 8:18 And seeing great crowds, Jesus gave orders to depart to the other side.

In following the King, we must be ready for war. God is going to take back territories. We cannot follow Jesus if we don't understand this assignment. We cannot follow someone if we don't know where he is going. If he is going to KL, we must go to KL also and not stay in Muar. Jesus has moved a long time ago and if we don't move with Him we will be left behind. If we want to follow Jesus, we must follow where He is going. Jesus went into the boat and the disciples followed.

In the Kingdom, the King gives the orders. When He says get into the boat, we get into the boat. If He says get out, we get out. He will give us orders this year to go to the other side. We will enter and go where He is going. The path He is going is not easy and not a walk in the park. If we want to follow the King, we will face all kinds of situations. However in the facing of challenges God will reveal Himself.

Mat 8:23 And He entering into a boat, His disciples followed Him.

Every place God is asking us to go, He will go first because He is the Leader. If He asked us to go north, He will go first and we follow Him. He gave orders to the disciples to go to the other side and He got into the boat first. Then the disciples followed Him. As they followed, the storm rose and the boat was covered with waves and the disciples panicked. We panicked too. But Jesus knows the way. When we follow Him, follow Him accurately and with precision. Don't follow Him at a distance or a lazy way. Stay with Him and walk with Him. We will see the manifestation of God that we have never seen before. They cried out to Him, "Save us" and Jesus asked why they are afraid. Then Jesus rebuked the wind and waves.

This year we will see Jesus like we've never seen before. God will open our eyes, hearts will be opened, ears will be opened. He has walked with us for so long and yet our eyes are blinded. God will open our eyes to see what we have never seen before. What is impossible will become possible. Whatever that cannot happen will happen. Suddenly we will see Him and realized that He is not as quiet as we thought. Something is about to happen. That's why this year is a special year to push into God.

When His Kingdom comes we will see the revelation of the King. The King will be manifested and revealed. The greatness of the Kingdom is not about what the Kingdom have. It's about the person Jesus. What we say about Jesus will change. Our language of who He is will change. Suddenly we realize that He is not just a Jesus who called us, saved us, healed, us. He is mighty and He makes impossible things possible. When this happens, our foundation will be properly laid. Of all the things of the Kingdom, Christ must be revealed to us. When Christ is revealed our communion with Him will change. We will start to relate Him in a different way. We will understand the covenant He made with us. Suddenly we realize that whatever He wants us to do has greater meaning because it is His command.

Our covenant will be reaffirmed. This year angels will get involved. Demonic powers will be dethroned. Suddenly during the time of worship whether in church, cell group or home, heavens will be opened. When heavens are opened, angels are free to move and supernatural things will happen. When Kingdom comes Christ will be revealed. Our walk with Him will change. Our understanding of Him will become clearer. It will become easier and easier when we know our God. Those who know their God will do great exploit.
